

EVERY GREAT BUSINESS STARTS WITH SOMEONE WHO BELIEVES.

Today's teen entrepreneur could become tomorrow's Arizona business leader. Your sponsorship provides the mentorship, education, and opportunities that help transform potential into successful businesses and stronger communities

AYA ignites the entrepreneurial spirit in today's young minds and our ultimate vision is to **eliminate poverty** in Arizona families.

YOUR IMPACT

Support entrepreneurship education, mentorship, leadership development and workforce readiness.

YOUR INVESTMENT

Help talented students turn ideas into real businesses and create pathways to economic opportunity.

YOUR RECOGNITION

Demonstrate your organization's commitment to Arizona's future and be recognized as a leader in our community.

REAL STUDENTS. REAL FUTURES

Three boys arrived at AYA's Innovation Camp as strangers, and left as award-winning inventors!

Together, they created Pure Harvest, a safe pesticide for home gardens, won AYA's camp pitch competition, advanced to ASU's Invention Convention, and earned an invitation to compete on the national stage at the Henry Ford Museum Invention Convention.

THIS IS THE KIND OF FUTURE YOUR SPONSORSHIP HELPS CREATE.
